INTRO

**2 lepers, one no hands, one no feet, one carried other
Planted seed so could eat – need each other**

ALL ONE BODY v 12-13

Human body analogy

Band: many but play together or no good for any

Cricket: many players, but one team

Church = TEAM

ONE PART NOT MORE IMPORTANT 14-18

ALL PARTS DIFFERENT 19-20

Tools to make table different, all important

Church = different talents, gifts, all needed

ALL PARTS IMPORTANT 21-26

Not just pastors

My little toe hurt, affected whole body

Kits – paper, wood, string, tail, all important

Church = every person essential

NO PART NOT IMPORTANT 27

Biscuits: raw eggs, flour, salt, heat

(no good alone but great together)

Church = need each one

Pray, witness, help, gifts

Testimony, share food, help with children

Greet others, encourage hurting

Church = you need it

Teach, worship, encourage

Each person small light, together bright

CONC

Sequoias 4000 years old, 100 meters high,

Small roots but intertwined, can't grow alone
