LEARNING THE BIBLE OVERVIEW

Below are squares containing the 27 events of the Bible overview. Cut them out and learn to put them in order. Mix them up and arrange them in proper order. Use them to teach this to children or adults. The better you know this structure the better you can understand the Bible.

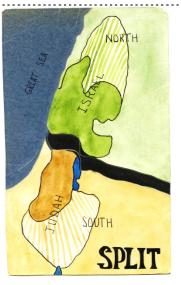

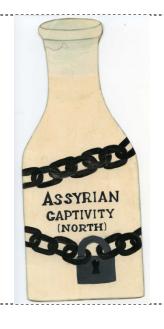

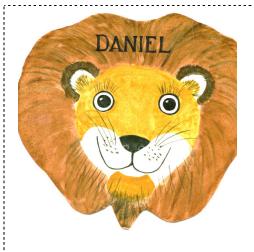

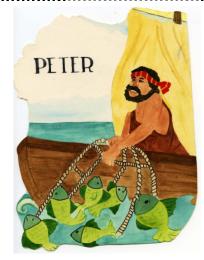

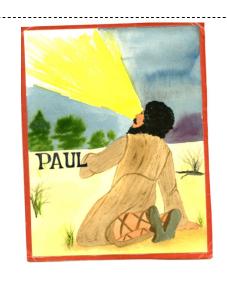

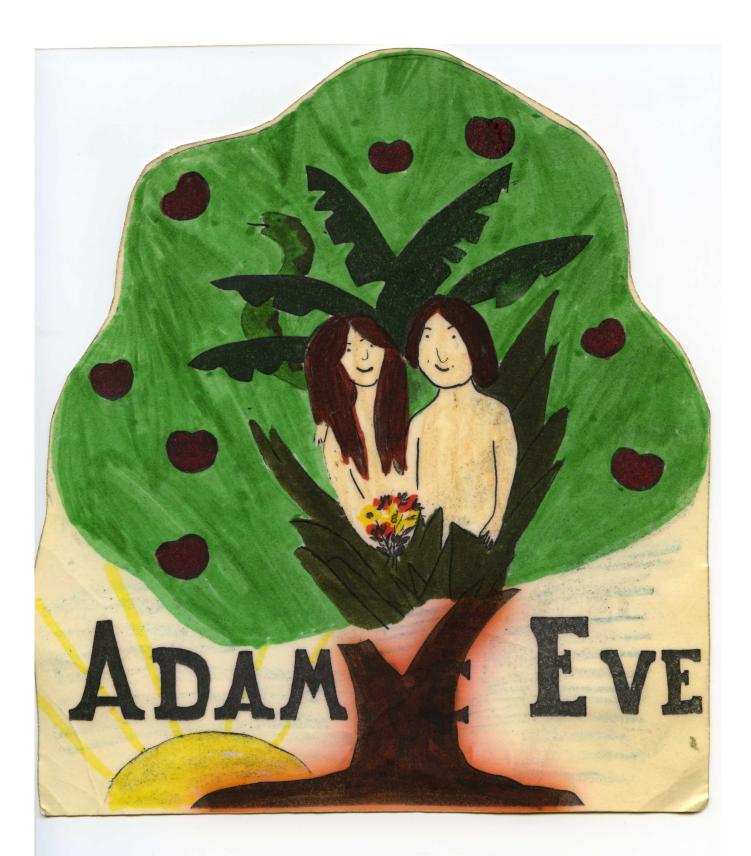

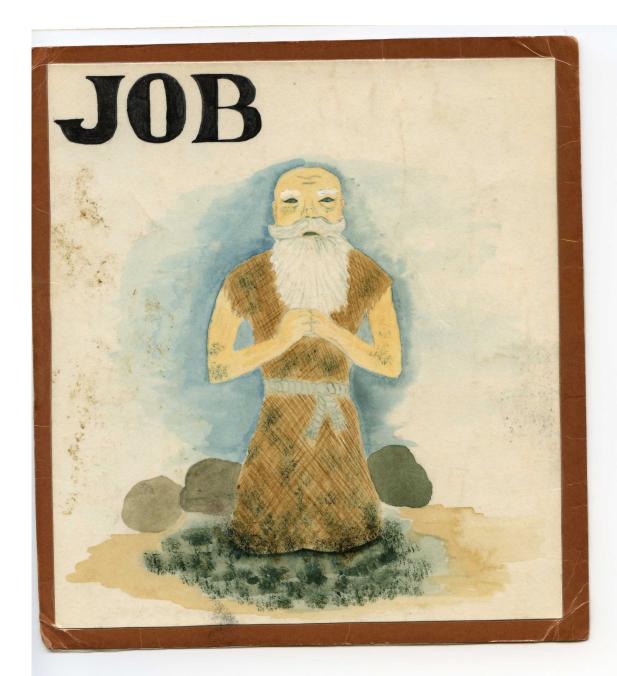

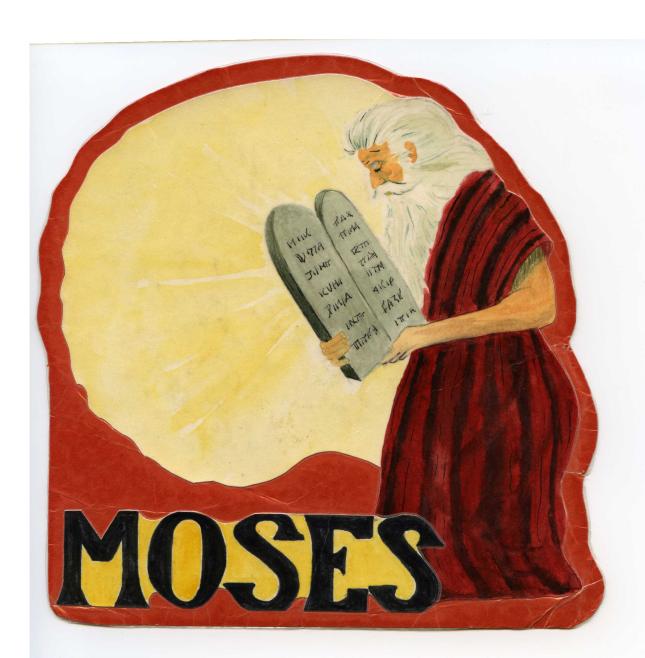

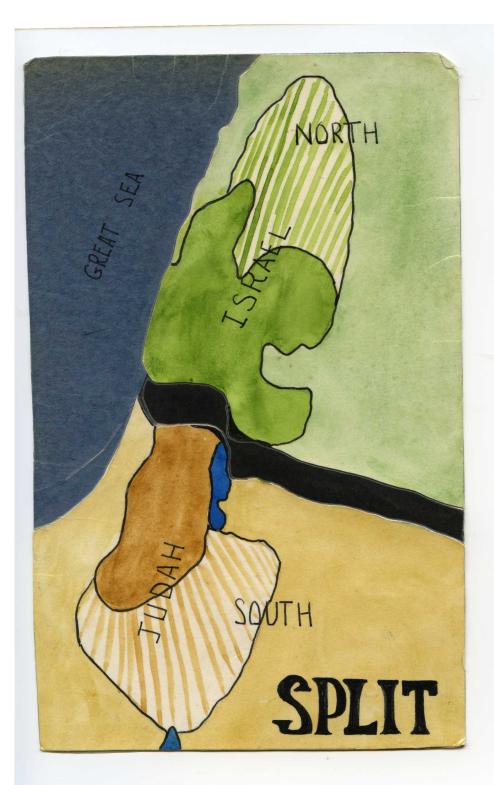

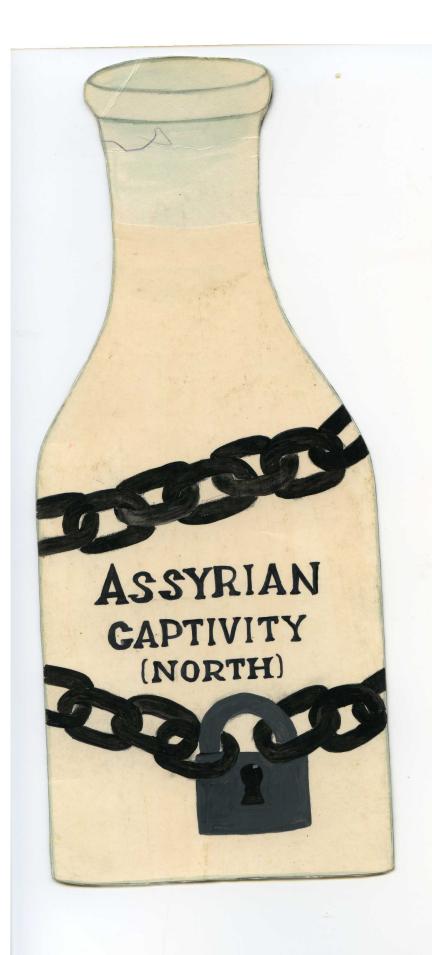

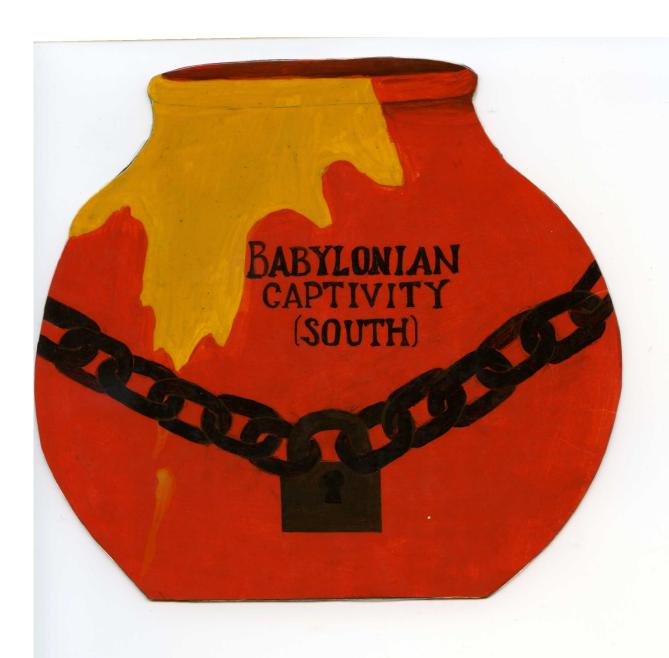

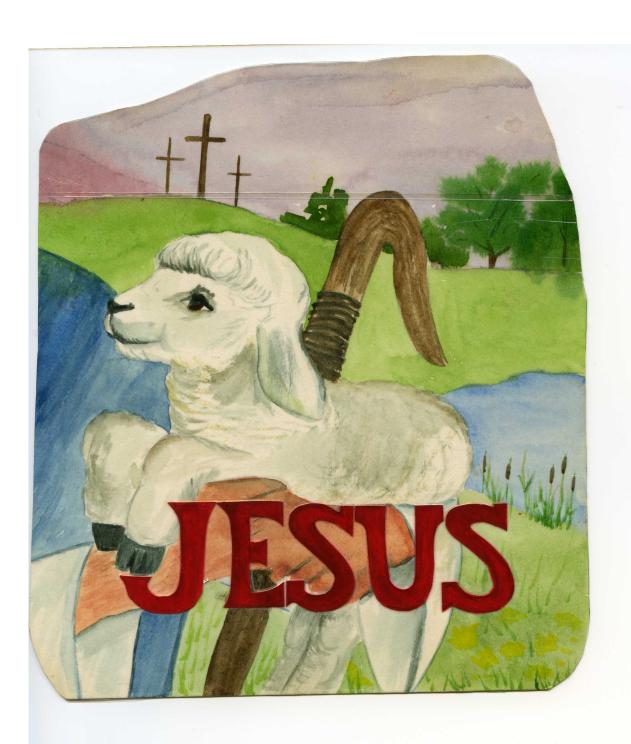

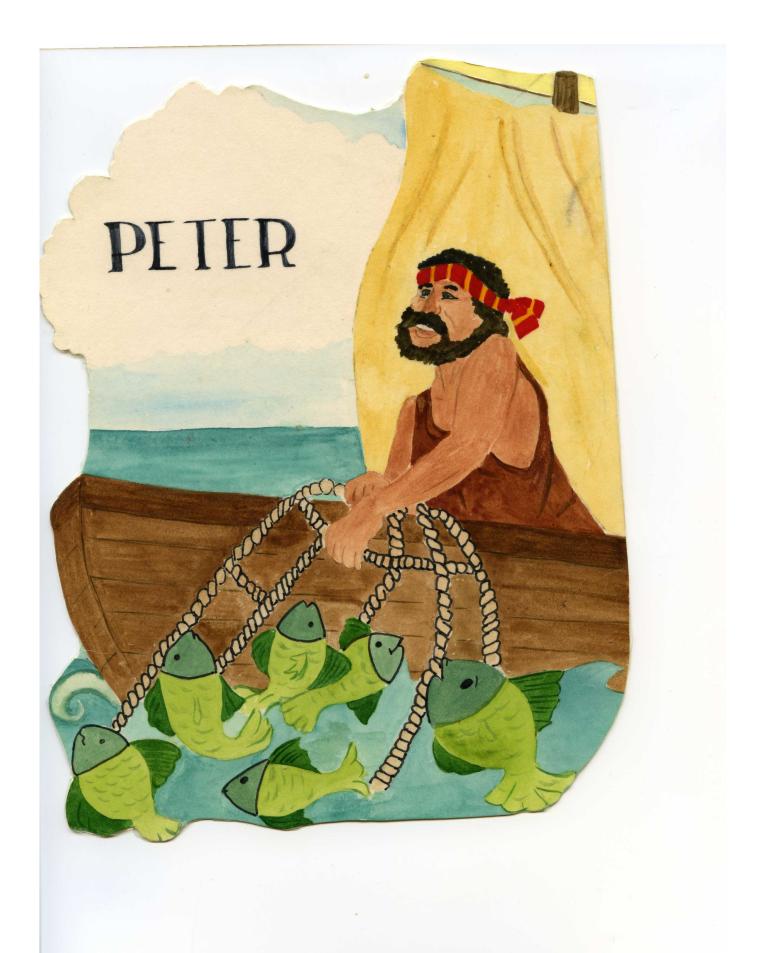

YEARS 400 SILENT

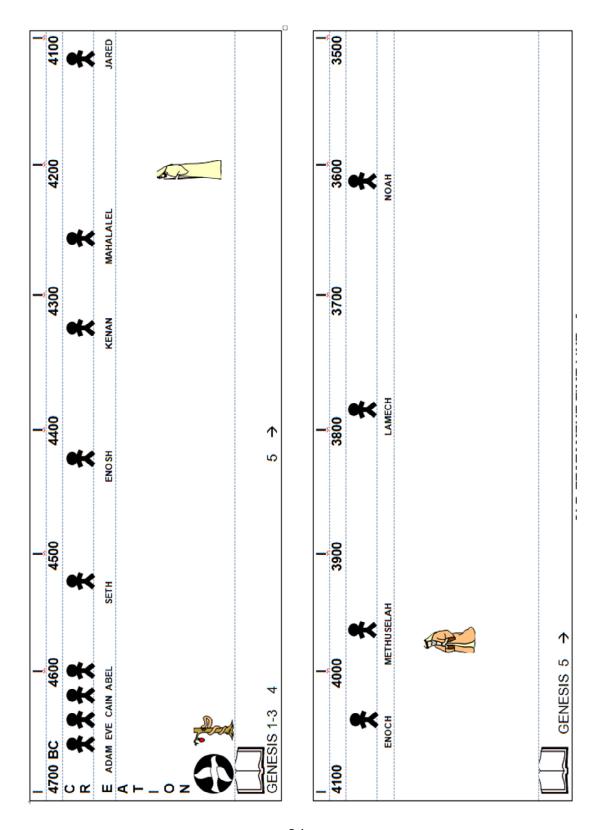

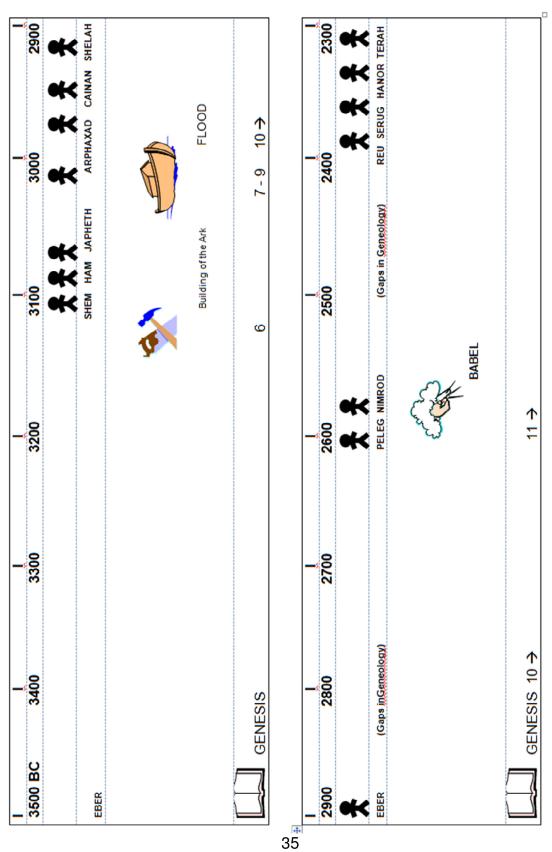

OLD TESTAMENT TIME LINE - 1

You can cut these time lines out and glue or tape them together, end to end, so you have one long time line. Write notes on it. That will be very helpful in understanding the overview of the Bible.

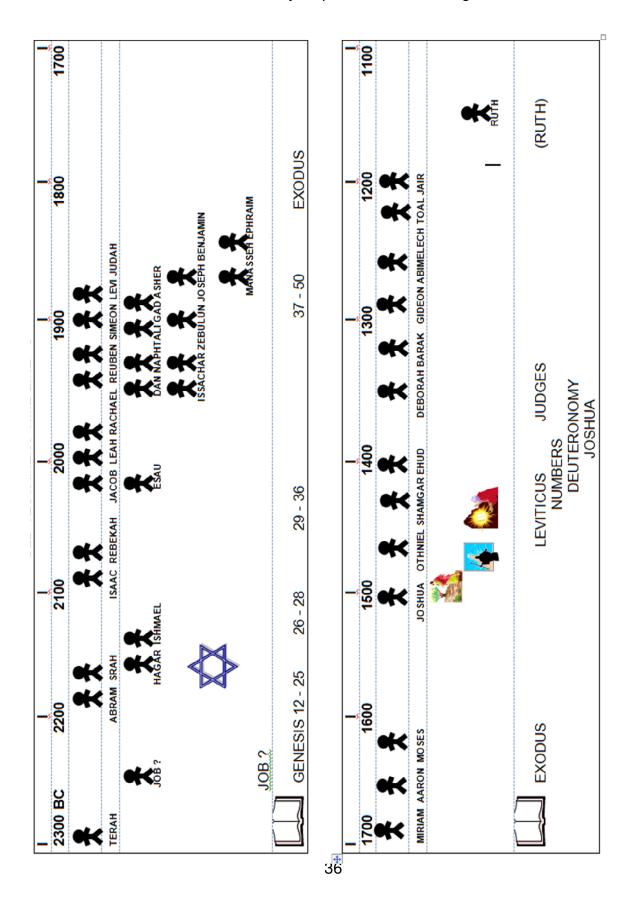

OLD TESTAMENT TIME LINE - 2

You can cut these time lines out and glue or tape them together, end to end, so you have one long time line. Write notes on it. That will be very helpful in understanding the overview of the Bible.

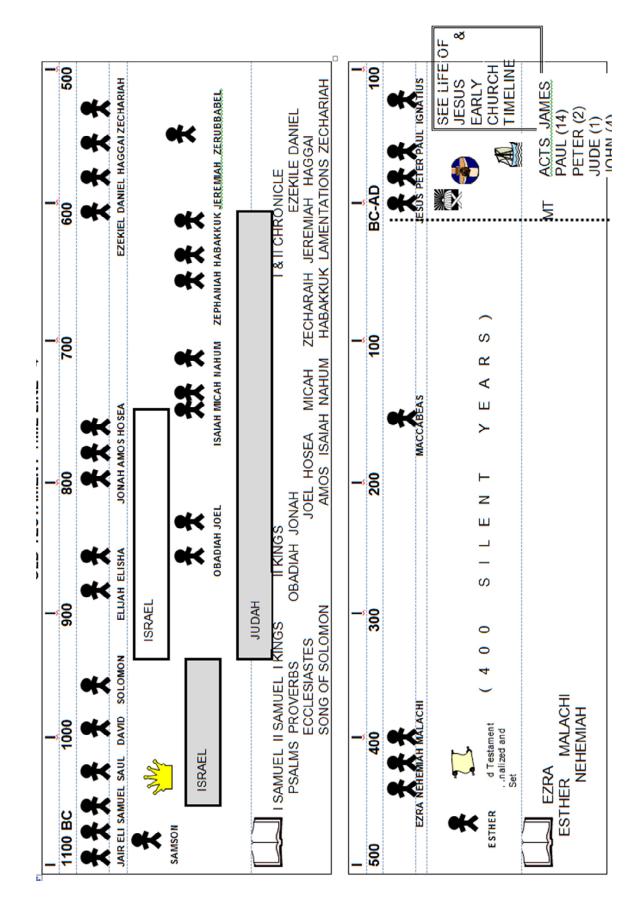

OLD TESTAMENT TIME LINE - 3

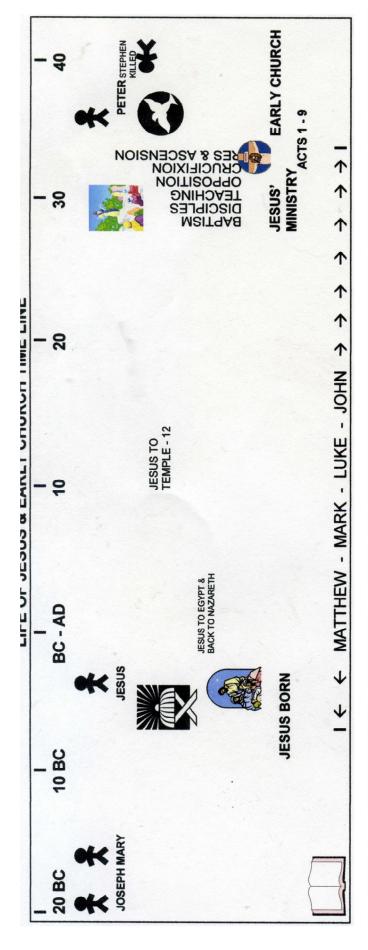

You can cut these time lines out and glue or tape them together, end to end, so you have one long time line. Write notes on it. That will be very helpful in understanding the overview of the Bible.

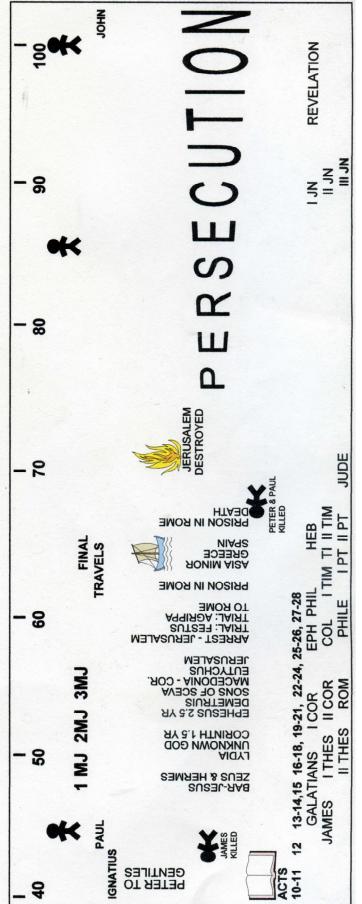

OLD TESTAMENT TIME LINE - 4

You can cut these time lines out and glue or tape them together, end to end, so you have one long time line. Write notes on it. That will be very helpful in understanding the overview of the Bible.
