## **INTRODUCTION**

For the Christian, the Bible is the final authority in life (2 Timothy 3:16-17). It is our guide and light (Proverbs 6:22-23). The things it records are written to help us understand and follow God's way for us (1 Corinthians 10:11). The Bible has it all – everything we need. But many times, we can't find the appropriate verse or passage for our situation. This book will help you find verses that apply to common topics,

Pastors and teachers can find Scriptures to preach or teach. Christians can discover where to gain wisdom about what they face in life. God commands us to know His Word so we can apply it to our lives and communicate it to others (1 Peter 3:15). I have compiled this book to help you find what you are looking for in God's Word.
